Signs Protect Visitors and Resources

Millions of people visit national wildife refuges each year. The impact of human activity, if not regulated, can degrade these wildlands. Signs control recreational activities while protecting natural resources on the refuge. Please respect the following signs.

This sign delineates the refuge boundary. Entry is permitted only for authorized uses (hunting, fishing, sightseeing, etc.) in accordance with refuge regulations.

This area is closed to all entry. No hunting, fishing or sightseeing is permitted. No roads or trails are open to the public (see map)

This area is closed to all hunting. Firearms and archery equipment are strictly prohibited. (see map) U.S. Fish & Wildlife Service
